

# ST. ALBERT GAZETTE

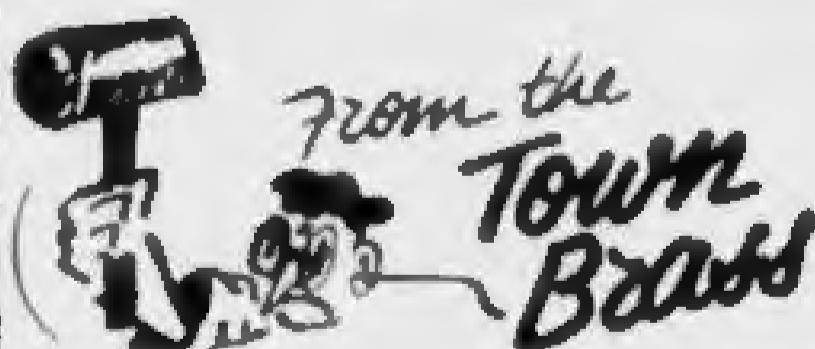

FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

The Harlem Comedy Kings brought last Saturday a real full basket of basketball skills to St. Albert. The exhibition game was sponsored by the Student Unions of the St. Albert and Paul Karr High Schools and played in the beautiful Vital Grandin Gymnasium. Opponents of the Kings were basketball players

from both High Schools. More than 400 spectators watched this tremendous demonstration, spiced with all kinds of variations in the comical field. The evening was a great success and the Student Unions have to be complimented for their initiative, providing a most delightful evening for the residents of

St. Albert. The final score of the game is not important as it was an exhibition game, but it must be said that our St. Albert boys played as amateurs a good skilled game that we can be proud of. The picture shows both teams before the game with the top Harlem Comedian in the middle.

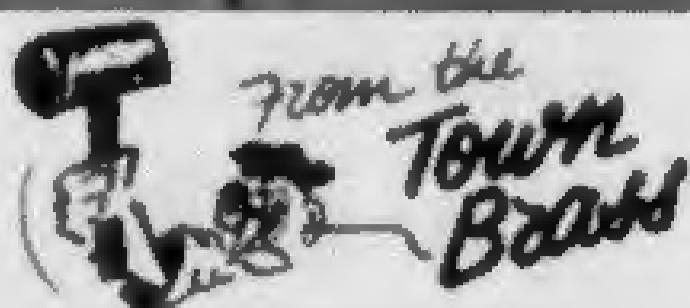

Council Meeting, November 8th (Cont.)  
Directional Signs - Chamber of Commerce  
It was suggested by the St. Albert & District Chamber of Commerce that the Town pay half of the cost of erecting the two directional signs, which to date had cost the Chamber \$791.85. The Chamber was advised that the Town had already spent approximately \$100 in regard to the installation of the Directional signs, and that these installation char-

ges had not yet been paid to the Town. The Committee recommended to Council that the Town pay for half of the \$791. and that the Town deduct from this contribution the amount of the installation charges in the approximate sum of \$100. This would result in the approximate net payment to the Chamber of \$300. The motion made by Councillor deBrujin that Council accept the recommendation of the Finance Committee was carried.

Sand Pit Agreement - C. Bokenfohr - In the Sand Pit Agreement with C. Bokenfohr it was pointed out that Mr. Bokenfohr could ask for a cash settlement as the cost of replacing the overburden at the sand pit. Mr. Bokenfohr asked that a \$9,000 cash settlement be provided. In

a letter from the Town's solicitors dated October 21, 1965, it was suggested that a settlement be offered to Mr. Bokenfohr. The Finance Committee presented a recommendation to Council whereby the Town would offer \$7,000 in settlement, this being the amount provided in the 1965 Town's Estimates. Councillor deBrujin moved that Council accept the recommendation of the Finance Committee. Carried  
Janitor Contract - D.E. Walberg - It was advised at the meeting of the Finance Committee, that due to the extra work involved in the extra library nights, and the additional work since the Recreation & Parks Department moved into

continued on page 2

continued from page 1

Town Hall, the janitorial rate be raised to \$275 per month from \$240 per month, effective November 1, 1965. Councillor deBrujin moved that the Janitorial Service rate be raised from \$240 to \$275 per month effective January 1st, 1966. Carried.

Site of Lutheran Church in Sturgeon Heights - Stage V - The Lutheran Church is interested in buying lots 67 to 76 in Block 18 Plan 296 NY for the erection of a Manse and Church. Since these lots are the only lots abutting Strand Place it was suggested that if the Lutheran Church wished to purchase this property the whole area including the street right-of-way be consolidated by plan into one parcel with easements for the existing sewer and water services through it. Reverend Klaasus of the Lutheran Church was now present and agreed to the consolidation and the inclusion of Strand Place with the reservation of easements for the existing services. It was pointed out to the Reverend that no access could be obtained from Namao Rd. or Edmonton Road, which was agreeable to him. The Public Works Committee recommended to Council to enter into an agreement with the Lutheran Church for the sale of the lots in question subject to the consolidation of the site and the preservation of easements for existing services. Further subject to the fact that no access will be available from Namao Road or Edmonton Road and that the site be posted for two weeks and that the Town will reserve the lots for a three week period. Councillor Bakker moved that the site be posted for two weeks and the lots in question be held for three weeks, in accordance with the Committee's recommendation.

## RECREATION BOARD

St. Albert Recreation Board Meeting held on October 15, 1965

Recreation Director's report: Mr. Gibb reported that negotiations are being made with the Hercules Club towards affiliation. Mr. Govenlock's name has been given to the proper authorities for appointment to the Recreation Board. Mr. Donais felt that there should be a suggestion in the new by-law to have a tighter liaison between Council and the Board. All matters should be brought before Council within 10 days after they are passed by the Board. A discussion

## CHRISTMAS STORY CONTEST

The traditional "Christmas Story Contest", sponsored by the St. Albert Gazette will have for 1965 the following rules:

Open to all citizens of St. Albert and District

Minimum 800 words

Story must have a Christmas theme

No name, signature or address under the story, only whether teenager or adult.

Name, address and phone number on the back of the envelope.

The Gazette reserves the exclusive right to publish each story at any time and anywhere.

All entries are to be sent to the St. Albert Gazette, P.O. 67, St. Albert. The contest will close on December 15, 1965.

Winners will be mentioned in the Christmas issue of the St. Albert Gazette. Prizes

For Teenagers - 1st - \$15.00  
2nd - \$10.00

For Adults - 1st - \$25.00  
2nd - \$15.00

was held on the relationship between Council and the Recreation Board. Dr. Gots felt that since we are an official board of the Town Council we should be hearing from all interested Recreation groups and then make our recommendations to Council. It was felt that once we have a closer working relationship established with the Town Council then there will be more responsibility and work in the Recreation field done by the Board.

Mr. Gallant would like to go on record that he was not in agreement with the Parks & Recreation Superintendent's report of the last meeting concerning the swimming pool.

Request for Clubhouse: Mr. Gibb read a letter from the Girl Guides requesting the use of the Clubhouse for their meetings and for storage space.

It was felt that since we have no stor-

age space in the Clubhouse and they are using the schools at the present time we should refuse this request. Mr. Galt stated that there was no provision in the budget for the maintenance of the Clubhouse. Mr. Michie suggested that we recommend to Council that an additional allowance be made for the upkeep of the Clubhouse. Mr. Parkes moved that this request for the use of the Clubhouse be rejected, and that Mr. Gibb be instructed to write accordingly.

Complex Report: Mr. Gallant reported that he feels the committee that has been set up by the Chamber of Commerce will promote this complex as much as possible. A meeting was held Thursday, October 14, and a member from each group had been invited to attend. A

finance committee was set up, and it was suggested that this committee look into ways of financing such a complex. Most of the groups represented felt that they wanted to promote such a project as this.

Commercial Organizations: The Board felt we should give out such information as where, when, fees, times, etc. for such commercial organizations as dancing schools, music schools, etc. as long as all organizations receive equal coverage.

Town Band: The Board felt that the Department should encourage a Town Band. In their presentation to the Board, A B C Music said that they would assist the Town in organizing such a band.

Competing with Organizations: Mr. Parkes suggested that we look into the possibility of approaching commercial groups and investigate a method for special rates for underprivileged per-

sons. Mr. Michie suggested that the Recreation Director make a report of where he may compete or could compete with organizations in the Recreation field complete with prices, etc. and bring this to the Board. Mr. Parkes moved that the Recreation Director bring to the Board such items in this regard and each will be judged according to their individual merits. Carried.

Hercules: The Recreation Director said that all major items of equipment would be brought to the Recreation Board for approval before they were purchased. Mr. Michie suggested that the Recreation Director present to the Board a brief of facts and figures concerning the Hercules Sports Association.

Parks & Recreation Superintendent's Report: The Parks & Recreation Superintendent reported that Council had ap-

Aid to Missions - DO NOT send Christmas cards to the Bishop's house in Dinajpur due to the recent conflict in East Pakistan. The new address for Christmas cards to orphan children is: Aid to Destitute Children, ADC Office, Novara Centre, Buihara, Dinajpur, East Pakistan. If you care to send money, send to this address and you will receive a receipt: Foster Parents Mission Club, 121 East Boston Blvd., Detroit 2, Michigan. For more information contact Mrs. G. Curial at 599-3171.

Church Parade - November 21st at the 12:30 Mass. Scouts, Cubs, Guides and Brownies will attend the first church parade planned for every third Sunday of the month.

Frontier Family Fair - November 21st - Final preparations are now under way. If you have not had time to work towards it up until now, it is not too late. Volunteer your services, as there is always much to do. As mentioned in the C.W.L. news letter, if you are unable to bring articles in yourselves, phone the convener or the Bazaar committee and the article will be picked up. Each lady is asked to bring baking for the Tea, Bake Sale and items for the various booths.

Raffle tickets should be turned in as soon as possible at the Rectory. The Family Fair Bazaar begins at 2 p.m. and ends at 11 p.m. Everyone is urged to attend and wear Klondike clothes if you can.

## UNITED CHURCH

Sunday evening, November 21, marks an important evening for our Hi-C group when they will meet with their parents to discuss the topic, "What do you, as parents expect of your teenage son or daughter, and where do you feel they fall short of your expectations?" We hope the parents will get behind this program and come out in full force.

Friendship coffee parties are being plan-

## St. Albert Gazette

ned in the various districts of St. Albert, so that we may be able to become better acquainted within the United Church. These will be taking place in many homes between now and Easter.

The Study Group on the book "Jesus Christ and the Christian Life" will be held at the home of Mr. & Mrs. Jim Wiltshire, 21 Granite Avenue on Thursday, November 19 at 8:30 p.m.

On Friday, November 19th, the Triple K Club will meet at 8:30 p.m. in the lower Church hall. The color film "Top of the Continent" will be shown. This is a striking documentary film on Northern Canada illustrating conditions and life on our Northern Frontier.

## Anglican Church

A visitation of the parishioners was held last Sunday afternoon seeking their support for the work of the Church. The visitors got away in good time and most of the work was complete by 5 p.m. It is expected that call backs will continue during this week and that a final report will be given to the congregation on Sunday at eleven.

St. Matthew's Young People at their business meeting last Sunday began to lay plans for a games night to be held on Sunday evening, November 26th. All young people are invited to attend.

## PRESBYTERIAN CHURCH

Seven young people along with the minister and Mrs. Davey Adlard and Bill Bissontette attended a city wide service at Rupert Street Church on Sunday evening when they heard Rev. Walter MacLean, missionary on furlough from Nigeria. Communicants classes continue for the next few weeks at the home of Mr. William Hanna, 47 Swallow Crescent at 8:30 p.m. The Presbyterians will meet at the home of Darcy Adlard on Sunday evening at 7:30 p.m. The address is 9 Gainsborough Avenue.

There will be a special Christmas program held by the congregation during the Christmas season. Further announcements will be made as to exact place and time as soon as plans are completed. If you have a special talent to contribute please call Andy Vander Straten at 599-7676.

## LUTHERAN CHURCH

Last Sunday a group of interested residents of St. Albert met at the pastor's residence to organize the Lutheran Mission Station as a congregation. One of the main points on our agenda was the selection of a name for our congregation. By majority we decided to use the name Pilgrim Evangelical Lutheran Church of St. Albert.

We are, understandably, grateful to ser-

ve this historic community with the services of a Lutheran Church. During the past 4½ months of service we have enjoyed a slow yet constant growth especially in our Sunday School. We extend a cordial welcome to all who would be interested in the services of our church.

## SUNDAY PROGRAM

*Edmonton Public Library*

A Sunday Concert on November 21st from 2 to 3 p.m. in the music room. Also a film program on Sunday, November 21st at 3:00 p.m. which will include the following: Whalehead (29 mins.) and Portrait of the Artist (28 mins.).

Sturgeon Valley Badminton Club

The Sturgeon Valley Badminton Club announces the new locations for members and prospective members: Monday and Thursday evenings - Vital Grandin School Gymnasium - 8:30 p.m. Saturday evenings at Sir George Simpson Junior High School Gymnasium at 8:30 p.m. These changes are necessary due to increased membership this season and are effective immediately.

**FROM the  
RECREATION  
DIRECTOR**

Winter activity will be starting as soon as the ice permits. It is hoped that a variety of activities will be provided sufficient to stir the imagination of all citizens in St. Albert regardless of age, sex, or ability. The Department in co-operation with different organization in St. Albert will be offering at three locations the following activities: Recreational free skating time for everyone, hockey, figure skating, broom ball, and jam-can curling.

This will be the third year of operation for the St. Albert Minor Hockey Association. It is their hope that all boys interested in hockey will participate in this worthwhile national Canadian sport. It is the Association's purpose not to create champions (though it would be nice), but to give as many children as possible the opportunity to play.

This will be the first year for a similar type of figure skating program for girls and boys in St. Albert. This will be a program designed for the present ability of skaters in St. Albert rather than a highly technical figure skating course required by a National Association. As the figure skaters develop, they will be given further training if they so desire (and are willing to pay for professional help,); however, this program will be based on the present ability of the St. Albert skaters.

Also for the first time this year speed skating will be offered for those interested. If interest is shown this program will grow and become a regular part of the winter activity in our Town. It is anticipated that a couple of competitive meets will be held here this year. It is hoped that any teens or adults with background in speed skating would assist in this program.

We would like to encourage everyone to participate, but if you do not feel that your child will continue with the pro-

## THE TOWN OF ST. ALBERT

Public Notice is hereby given that there has been introduced in the Council of the Town of St. Albert a By-law of which the following is a short synopsis:  
**BY-LAW 37/65 - CONSTRUCTION OF A STORM SEWER EXTENSION IN THE GRANDIN PARK SUBDIVISION OF THE TOWN OF ST. ALBERT.**

WHEREAS, it is deemed expedient and proper that the Council should pass a By-law for the purpose of constructing a Storm Sewer Extension in the Grandin Park Subdivision; AND WHEREAS, the estimated cost of the said construction is \$9,000.00; AND WHEREAS, in order to construct the said Storm Sewer Extension it will be necessary to borrow the sum of \$9,000.00 by issuing debentures with interest not to exceed 6% per annum, payable over a period of 25 years in equal annual instalments of principal and interest; AND WHEREAS, the estimated life of the said Extension is 25 years; NOW THEREFORE, the Municipal Council of the Town of St. Albert hereby enacts as follows:

1. The Town is hereby authorized and empowered to borrow the sum of \$9,000.00 for the purpose of constructing an Extension to the Storm Sewer in the Grandin Park Subdivision.

2. That for the purpose aforesaid, the sum of \$9,000.00 be borrowed by way of debentures. The debentures and interest thereon to be paid in 25 equal annual instalments.

READ for a first time this 27th Day of September, A.D. 1965.

"R.S. FOWLER"  
Mayor

"LOYD WHEATING"  
Sec. Treasurer.

AND, a copy of the same may be seen in the Office of the Secretary-Treasurer in the TOWN HALL, ST. ALBERT.

AND FURTHER, that unless within 30 days from the publication of this Notice 5% or 250 of the Proprietary Electors, whichever is the lesser, of the Town petition the Council to submit this By-law to the vote of the Proprietary Electors of the Town, the Council will proceed to consider, and if it thinks fit, to pass the same.

## CHERCHEZ LA FEMME

By Florence Lefebvre  
Phone 599-7030

The Marguerite D'Youville Auxiliary met November 9th at the Youville Home. The Reverend Sister regrets that there will be no bazaar owing to the preparations to move into the new Home. Open House will be held in January, the date to be announced later. The residents of St. Albert will be given an opportunity to inspect the new Home on this day with the Auxiliary providing Tea. The Singos have also been cancelled until the patients are settled. The Christmas party date will be announced as soon as the moving day is fixed. This year the I.O.D.E. are helping with the party to make it bigger and better. The next meeting will be held December 7th with ladies wrapping Christmas presents after the meeting.

Beta Sigma Phi - Chi Chapter - meeting was held at the home of Mrs. Evelyn Linden on Wednesday, November 10th. After the business meeting an excellent program on poetry was given by Mrs. Marian Sim.

2nd St. Albert Guide Company which reopened September 28th in the Lacombe School is coming along very well and giving a great deal of satisfaction to both the girls and leaders. A patrol leaders and seconders weekend training camp was held at Sandy Lake in October. The Leaders were very pleased with this camp and feel the girls learned more in these two days than in weeks of meetings. A very special thanks from Leaders and Guides goes to Mrs. Morgrove who came along and cooked for us while we worked at Guiding.

On November 9th, Commissioner Vandenberg visited our meeting and enrolled 16 new guides. Ten of these girls were awarded wings, having passed their Golden Hand Test and spent a full two years in Brownies. The other girls were brought into Guides at 10 years of age because of the new age grouping and so had not time to pass their Golden Hand Test. It was very gratifying to the Leaders of the Company to see so many of the parents of the new Guides present at this very special and important occasion in the lives of these young people, and I hope that at our future functions we will have as much support.

ience for many friends and members interested in the course of the Aphasic School. Mrs. A. Unger of Edmonton as Guest Speaker, gave a very interesting and informative talk on the aims of the school and the children now attending. She answered all questions and related the frustrating years in training her son, Gordon, now 9 years old, crippled from meningitis. She now does for other children what she did for him realizing her ambition in opening the Aphasic School in 1964. For further information call Mrs. Unger at 424-4865.

Frontier Family Fair - November 21st from 2 to 11 p.m. in St. Albert R.C. Parish Hall. The atmosphere will be gay and colorful with Klondike costumes adding the final touch. You'll have to attend and see for yourselves. Tea will be served throughout, the only quiet spot you'll find are activities, bingo and booths attract young and old. Auctions are included with a home-made quilt for you to bet on. Children's bingo and fish pond will provide amusement for the young ones. The draw for the raffle will be held at 10:30 p.m. You could win the first prize of cash, Record player, Transistor radio, electric toaster, Ladies & Men's Wristwatches, Coffee percolator and a hairdryer. Everyone is cordially invited.

Christmas Recipe Contest - The prize, a 20 lb. Turkey from Peron's!

### Pecan Pie

For 8" pie: Make one crust pastry using 1 cup flour and  $\frac{1}{2}$  teasp. salt. Mix together and cut in 1/3 cup shortening, sprinkle with 3 Tblsp. cold water and mix. Roll out and line pie pan. Filling: Beat together: 2 (large) eggs,  $\frac{1}{2}$  cup sugar,  $\frac{1}{2}$  tsp. salt, 1 cup melted butter, 1 cup dark corn syrup,  $\frac{1}{2}$  tsp. vanilla. Mix in:  $\frac{1}{2}$  cup pecan halves. Pour into pastry-lined pan. Bake until set and pastry is browned. Temperature 375 degrees - Time 40 to 50 mins.

Mr. V.J. Maloney, Superintendent, congratulates Duane Schlereth with his Governor-General's Bronze Medal award.

On Friday afternoon, November 12, the students of Vital Grandin School witnessed the presentation of the Governor-General's Bronze Medal to Duane Schlereth, who received the award for having achieved the top marks in the Grade 10 June Departmental Examinations.

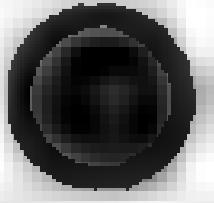

Mr. Carlo Rinaldi, Superintendent-at-large, Department of Education, gave a brief history on the presentation of the Governor-General's medals and pointed out that this award was attained in competition over approximately three hundred grade 10 students from the Edmonton Invitational Institute and Sturgeon County.

Mr. David B. Fraser, Chairman of the Board of St. Albert Public School District #3, presented congratulations on behalf of the Board. He commented that excellence in performance is a satisfaction for which all students should strive, emphasizing that such endeavors need not be limited to the academic field alone.

Mr. V.J. Maloney, Superintendent of St. Albert Public School District #3, who presented the medal to Duane, remarked that, while it was a real pleasure to be able to make a presentation of this

## Neighborhood Playground

- Grosvenor Park -

By Andre Gate, Supt. Parks & Recreation Department.

The growing demand for active recreation and the limited acreage of that land available in St. Albert has forced School Boards and our local government to plan their land jointly. The wisdom of such procedure is widely recognized, and cer-

tain principles relating to the planning and use of outdoor property for recreation have been approved by School and Town authorities.

Many of the facilities designed primarily for school purposes will be usable for community purposes, and very few of the facilities designed for community use will not be usable for the school

program. Our neighborhood Parks under development known as "Grosvenor", "Mission", and "Salisbury", Parks have been mainly designed as Park-School ground for children 6 to 15 years old, which require an area where they can enjoy formal play activities and low organized games without interfering with the highly organized team games of the older children.

Most of these activities require a flat space, although some of them may be placed on a slope or around natural tree areas or so called "wilderness" for western games. Tree patterns and grass forms are all designed to interact and to produce a total park landscape greater than a mere accumulation of features, which are designed to complement the finished topography and to give a sense form and enclosure to the various terraces and levels.

With Grosvenor Park we are pleased to present a large terraced playfield adjacent to a natural parkland well treed which, yearly as the Town budget permits, additions will be made in accordance with a master plan of our future Park's System under present studies.

- Applications may be made with the Board concerned for additional facilities. (Some classrooms normally excluded from this agreement.)
- c) Recreation Buildings: All recreation buildings and rooms be used in accordance with schedule requirements, and priority list.
- d) Sponsoring clubs will be responsible for supplying their own expendable equipment (e.g. balls, bats)
- e) Scheduling
- a) Land: That all land agreed upon in the Joint-Use be scheduled by the school concerned within the regular school day, this being 8:00 A.M. to 4:30 P.M. for Elementary and Junior

High and 8:00 A.M. to 6:00 P.M. for Senior High School. The Town will then determine the schedule of the remaining hours; this to be governed by Appendix A, priority list. However, the Town may reserve any lands for renovation, repair, etc.

b) School Buildings: All school buildings shall be included in the Joint-Use (Subject to C. 1 (b)). However, a board may reserve any building for renovation, repair, etc., These buildings to be scheduled by the school concerned within the regular school day, this being 8 A.M. to 4:30 P.M. for Elementary and Junior High, and 8 A.M. to 6 P.M. for High School. The Town will then determine the schedule of the

## SPRING SEMINAR

### THE APHASIC ASSOCIATION - SEMINAR

Plans for a spring Seminar, dealing with the needs and problems of the child with minimum brain impairment will be discussed at a meeting of the Aphasic Association, to be held on Tuesday, November 23 at 8:15 p.m. in Red Cross House, 9931 - 106 Street, Edmonton.

remaining hours; this to be governed by Appendix A, priority list.

- c) Recreation buildings: All recreation buildings shall be included in the Joint-Use (subject to C. -1 (c)). However, the Town may reserve any building for renovation, repair, etc. These buildings to be scheduled by the Parks and Recreation Department subject to the priority list. The schools will also have the use of the recreation buildings at any time in accordance with Appendix A, priority list.

#### E. 1) Supervision, Responsibility and Liability

Need to have legal advice before we can solve this problem.

#### F. 1) Withdrawal or Amendment

This Agreement shall be in force and effect from \_\_\_\_\_ until the last day of \_\_\_\_\_ and from year to year thereafter unless written notice of desire to change modify, or terminate the Agreement is served by any party upon the other party or parties at least sixty (60) days prior to the annual expiry date of the Agreement. A list of the changes shall accompany the written notice to open the Agreement and these changes as submitted shall be the only items negotiated. In the event that the negotiations extend beyond the expiry date, then the revised Agreement when executed, shall be retroactive to the expiration date of the last Agreement. A one year notice will be necessary when a party wishes to withdraw from this Agreement.

Note: The Joint-Use Committee, as formed, would suggest that you consider the proposed agreement with regard to:  
a) matter of E. - 1  
b) matter of responsibility for payment regarding willful damage  
c) how does joint-use committee cost budget item submitted under B. 1. (d).

The above agreement is just a proposal of the Joint-Use Committee and will now go for official recognition to the Council and School Boards, who have finally to vote for it. A compliment should be made for the tremendous activity of this Committee which created in a very progressive way a wonderful working Joint-Use Agreement which will certainly benefit St. Albert as a whole.

## LOVE IS THE TEACHER

By Florence Lefebvre

Synopsis: Past issues have explained that the Aphasic School for minimal brain damaged children, occupies two classrooms in the Strathearn United Church, South Edmonton. Four St. Albert

children attend and are responding to the programming especially suited to their needs. Last week we were in the first classroom taught by Mrs. Kotro.

Age of the children range from 3 to 10

years. When necessary, messages are sent back and forth between parent and teacher, assuring complete understanding of an existing problem or development. On my third visit to the Aphasic School, I attended the second classroom, where one-half of the pupils had received training during the previous year were now being taught at the Grade one level.

It was a larger classroom, with one long table used by all eleven students on one end, leaving space for rows of chairs, all facing the blackboards which extended along the entire wall.

Class is begun by a salute to the flag. Before this ceremony, the ten boys and one girl are standing at their places, arms folded. At a signal, two children advance, one to hold the flag, the other to salute while all recite in unison, "I salute my flag. I like my flag. It is red and white."

Mrs. McHugh is thoroughly relaxed with her pupils, her understanding attitude revealed by her firm, friendly manner. She explains the work to be done very clearly using a direct, matter-of-fact tone. Commands are simple, accompanied by a bit of reproach and gentle chiding used to coax and encourage completion of a task.

Seated on chairs, the pupils are told that this is the last week of October, which Mrs. McHugh indicated as the last row on the large calendar she used to illustrate. Clair identified the day as being Thursday the 28th. Each child was given a card on which the days of the week were printed, and were asked to come to the front of the class when the day they had was called. Tommy had Monday, Clair had Tuesday and Doug had Wednesday, all coming up to display their cards and matching them to the calendar. Mrs. McHugh complimented each child and made them repeat it but loud several times until it became familiar.

During this time, Mrs. Unger was assisting pupils, also speaking to a special guest, Mr. S. Sieben from St. Albert, Guidance Councillor for the Sturgeon School Division.

Mr. Netelenbos of St. Albert Gazette came to take pictures of the children in their separate classrooms. They did not seem in the least disturbed, except for the sudden brightness of the flash bulb their attention reverting immediately to their teachers.

Next came News Telling Time. The children were asked to stand and tell of an experience that had happened or something interesting which they had done. After one had started, the others followed with sentences as "I watched a Mickey Mouse Show" - "I went out with my Mother". It was unbelievable that these children could respond and react with such aptitude and ease. They worked without any special apparatus, just the bare essentials used to the maximum degree.

Will be continued in next week's Gazette

The Birthday Party for Mrs. Callihoo  
continued from page 1

cake was placed. Surrounded by her family and others attending she graciously received all messages and greetings by smiling and repeating "Thank you very much." Before tea was served she deftly cut the cake which bore no candles. At 104, now at the Moon, she is St. Albert personified. Living and working as she has in this area as a child, wife and mother, she has seen the development step by step, until now, with the Sister who also pioneered during the time of Father Lacombe and Bishop Grandin, she is witnessing the changeover of the old to the new as the New Home nears completion.

Mrs. Callihoo speaks Cree, French and English, only less now as she finds herself tired, her otherwise remarkable good health marred by a cold during the past few weeks. For the first time since her arrival in May, 1965, she has

been somewhat bedridden also allowing herself the comfort of a wheelchair. She calls Sister Martinez "Ma mère", because, as she explains in her own words "All my life I looked after my children. Now you look after me, so you are my mother."

Mr. & Mrs. Louis Callihoo (born Victoria Belcourt) had a family of twelve, six boys and six girls. Of these, five girls and two boys are living. Not able to be present were: Mrs. Annie Morris, Edmonton, Mrs. May Laderoute, Dunn, Dolobus of Edmonton and Vic of Spruce Grove.

She was baptised and received first Holy Communion from Father Lacombe, the sacrament of Confirmation from Bishop Grandin. There are six generations, the ninth being a six-year-old child. Mr. Callihoo died in 1926. To date the descendants number 32, many of whom are residents of St. Albert. To this wonderful woman, St. Albert extends congratulations and wishes for many more birthdays with us.

If one of us could have one hundred dollars from little children's moneys for the "hurting person", we'd manage to go to church for a special service of grace in this Lent. We are pleased that the young ones, young at heart and adults in wonder, however poor will fulfill all our wishes. We were really surprised when we visited the schools and this is the reason that we have to emphasize this to all our readers.

Now we are also very grateful when we will have the new friends. The children will be the ones to feel a great sense of

and the love to offer. The Lenten hours crucial, services from young and young adults, new and from Julian, Lenten altars, original and unique, beautiful decorations, services greater and greater, Lenten Lenten Stations, over-tangible notes, Lenten hours, when the young girls are reading, and old ones of animal narration. The joyousness of the Lenten services also in being so happy, especially if a month ago we had only all these entertainments, because otherwise not one Lenten child would have the new friends the next a real pleasure.

## OPINION OF CHAMBER ON THE MATTER OF POWER RATE REDUCTION

### SWIMMING POOL SITE

Council Meeting, Monday, November 22nd  
Letters from Chairman Recreation Board  
Mr. Michie, Chairman of the St. Albert Recreation Board wrote in a letter to Council requesting a regular place on the Council Agenda for the reading of the Recreation Board reports. Council thought this was a good idea and accepted this suggestion unanimously.

A second letter from Mr. Michie was in regards to the proposed organisational structure of the Recreation Board. Council decided to arrange a special meeting in January to discuss this matter with the Recreation Board.

Tougher Dog Control - Mr. Wheating informed Council that arrangements are being made with the S.P.C.A. for a more concentrated dog control during evenings and nights. (Note Editor: Mr. Lloyd Wheating himself received a \$5.00 ticket last week. This happened when his dog ran away after he had taken a picture of it outside his home!)

Car Allowances - The Town Engineer will receive \$26 a month car allowance as past experience has proven that the Town Engineer travels approximately 200 miles per month, times 13¢ per mile is \$26. Car allowance was also given to Mrs. Lena Holgerson, Playground Supervisor, of \$15 per month.

Grant for the I.M.C.A. - A cash grant of \$870 was given to the St. Albert I.M.C.A. for the purpose of buying equipment. The equipment will become Town property.

Power Rate Reduction - A letter was presented to Council by the St. Albert Chamber of Commerce in regards to the Calgary Power rate reduction. The letter reads as follows:

"The purpose of this brief is not to contradict or challenge Town Council in its plans respecting the new franchise agreement offered by Calgary Power, but

is intended to demonstrate to Council the thinking of the Chamber of Commerce. It is not for the members of the C. of C. to antagonize the local government, but we feel we represent sufficient of the business community and residential consumers of St. Albert to bring our opinion on this matter to your attention. Considerable discussion has developed during our last two general meetings in this respect, and it appears almost unanimous that the Chamber is of a different thought respecting the subject. The Power Commissions of the Provinces of Ontario, Saskatchewan and B.C. have been contacted inquiring about the legislation and/or practices relevant to power distribution and rates. It has been found that Ontario Hydro is operated under regulations on provincial statutes. Excess profits, if such occur can be used in improvement of installations, buildings, etc., relevant to power production or distribution, or for the purpose of retiring debentures incurred in power development. There is no allowance for other uses - not relevant to power - for excess profits. (Sec. 105, Ont. Power Commission Act.)

The Province of B.C. has somewhat of a different arrangement in that grants are paid to municipalities in lieu of property taxation. This is similar to the Town's arrangement with Northwestern Utilities. (Letter-Ass't Comptroller, B.C. Hydro & Power Auth.)

The one province where franchise tax on utilities is permitted (of the three contacted) is the Province of Saskatchewan. The Sask. Power Corp. will collect extra rates for municipalities for their own purposes. The form of government which was in power in that province until recently may be some explanation for this function.

It is understood that in our Province, Calgary Power makes it standard practice to extend any rate reductions directly to the consumer and it would appear that the purpose of this practice would be to enhance their public image, if for no other reason.

The plan being discussed by Council will no doubt produce considerable revenue to the community and I know that this is in somewhat short supply, but the members of the C. of C. consider the plan as a form of taxation which would not be in keeping with accepted rights of consumers. We feel that the transactions

between supplier and consumer in this matter should not be parasitized by a body which does not have any participation in the production or distribution of the commodity in question.

The C. of C. is concerned with the public image of the Town of St. Albert which has deteriorated somewhat in the last few years, and I doubt that we can afford additional derogatory comments in the Edmonton Journal, to the effect that the Town of St. Albert uses a utility tax in addition to the business and property levies.

May we also submit that lower power rates might be conducive to the attraction of small industry to the community. This aspect may be a selling feature in the future.

It is understood that the plan involves applying power revenue to the general revenue fund. May I suggest that, as with an individual who will always manage to spend as much, if not more, than he earns, the Town might consider applying this revenue to a project such as a Recreation Complex. This end, although admirable, in our opinion does not justify the means, and we feel that, if this is the plan, Council will require a referendum of power consumers before this plan can be entertained.

The C. of C. also feels that the Town of St. Albert is not and should not be in a position to arbitrarily act as a power commission or be involved in any aspect relevant to the business of power rates. Council's function in this respect should be to attain the best deal for the members of this community. We would suggest that the citizens are due for some utility relief.

The Chamber feels that the duty of the Town Council is to strike a bill rate that will provide sufficient monies to provide a reasonable standard municipal services plus the supplementary grants for the school boards.

It is common knowledge that Edmonton taxes are subsidized by utility profits but the Chamber feels that lower utility rates are just as advantageous as lower taxes.

Finally the matter should also be looked at in light of probable homeowner grants which will reduce the burden on property owners and will be paid directly to the Town general revenues. This development
